GRANT OF LEAVE TO REMAIN
TEN YEAR PARTNER ROUTE

Dear Mr Adekeye,

Re: Mr Caleb Adekeye Nigeria 17 February 1973

On 28 December 2016 you submitted an application for limited leave to remain on the basis of your family and private life in the UK.

I am writing to inform you that you have been granted a period of 30 months limited leave to remain on the ten year partner route under paragraphs D-LTRP1.2. of Appendix FM to the Immigration Rules, as we are satisfied that you meet the requirements of paragraphs R-LTRP1.1.(a), (b) and (d) of these Rules. You may be eligible to apply for settlement after completing at least 10 years under this route.

For further information please see the relevant rules on GOV.UK at:
www.gov.uk/guidance/immigration-rules.

In addition, a decision has been made that your application does not meet the requirements of paragraph GEN.1.11A. of Appendix FM of the Immigration Rules, and therefore your grant of leave is subject to a condition of No Recourse to Public Funds. This means you are not entitled to receive public funds to help meet your living and accommodation costs (or those of any dependants). In addition your sponsor is not entitled to claim or receive public funds on your behalf.

Further information on public funds can be found in the section on public funds below.

If you have been granted less leave than applied for, and if you have paid an Immigration Health Surcharge, you may be eligible for a partial refund of the Immigration Health Surcharge payment made in relation to this application. Information on the Immigration Health Surcharge can be found on GOV.UK at: www.gov.uk/healthcare-immigration-application/overview.

What this means for you.

A Biometric Residence Permit (BRP) will be sent to you under separate cover. We have endorsed your BRP with limited leave to remain in the United Kingdom for 30 months.

If you have not already received it, it should reach you shortly. You should receive your permit within 7 working days. A leaflet will accompany the permit which will give you more information about it.
